“ One of my favorite memories, Uncle Doodle it's hard to pick just one or two we share so many.. you are so fun and goofy! Anyway, first when you brought us a dog home(German Shepard) and we named him pepper! You hid him in OUR white truck, told me go open the door to get your sunglasses (that were on your head) I will never forget opening that door and that puppy on the floor board looking up at me!! Nor forget Dad being so mad (his face and cursing was the best part) but we got to keep him! The second you always let me drive our truck and when we were out green bottom I got to RACE my truck. first race I stalled out and was crying mad at myself, second race after your wisdom, support, cheering and coaching I WON!! Man the good times we have had, I miss them!! But a joy to look back on, never judged and always loved by you!! Your hugs (I miss the most) healed everything!! Your contagious laugh will always be in my heart!!! I will never forget your glowing blue eyes your singing , your poses to show off that tan belly at every entrance and crazy comments that made us roll!! So many more I will keep them in my heart and cherish ALWAYS!! I love you Uncle Doodle!!! I could talk all day about you driving your CAR not truck CAR through the ridge and you made it, LOL!! OK, I am done!! LOVE YOU KAREN AND JEN!! God Bless you all during this time!!
